Discover How YOU Can Truly Leverage

An Internet Laptop Lifestyle

Stuart Ross recently held a closed door course, where he shared some of his proven strategies with the attendees. The content of the Internet Laptop Lifestyle Course has insane value for money and will put you on the right track to earn a Six Figure Income in the up and coming months.

It has been packaged and branded for market as a product called ...

"How To Go From Zero To Six Figures Online"

This report has been created by Stay At Home Dad & Leader in The Six Figure Mentors- Baz Smith and Stay At Home Mum & Member of The Six Figure Mentors- Joella Clare to give you a sneak preview into what you can expect from this inexpensive, yet full of value product.

How To Go From Zero To Six Figures

Not a product just for newbies but for serious internet marketers who want to take their online business to a higher level.

This is what separates this course from all the other programs out there.

It was Stuart Ross' (founder of The Six Figure Mentors) intention to '**over deliver**' with this course so that people could see the potential of an internet marketing business and this is precisely the reason why it is priced so low.

Should You Buy This Product at JUST \$19.95?

The answer to this question really depends on you. If you are looking to build a successful internet business then the answer is **YES**... If however you are looking for a way to make a quick buck, then Internet Laptop Lifestyle isn't for you!

Internet Laptop Lifestyle is a course for not just those who are new to internet marketing but those who have been in the industry for a while.

Even if you are somebody that has a reasonably successful business online, there are still great tips and hints and numerous bits of information in this course that will make **light bulbs** go off in your head!

Step By Step Blueprint On How To Go From Zero To Six Figures Online, Even If You Have No List And No Products To Sell!

Stuart says ... *"Affiliate marketing is the easiest way to make money online. Period. Ethically as well, we are not talking about casino secrets or anything like that! Being an affiliate without a doubt is the simplest and straight forward way to make money online."*

"Making money on the internet is much more about understanding the strategy and mechanics than it is about the tactics or being technically gifted"

The SFM Formula - And How You Could Be Using It With Your Online Business - And Accelerate From Zero To Six Figures!

Stuart Says ...

"How to REALLY make six figures on the internet, and it's not selling \$20 products!"

"Get out there and find programs you want to recommend"

"Within the SFM there are products to make six figures alone"

The first thing we established is residual income, it comes from affiliate commissions and referring membership sites"

It takes the longest to build up but is one of the nicest of incomes as it will come month after month. So lets say after 12 months...

you have 200 subscribers and get \$20 per month from each one
thats \$4000 a month

JV's & One Off's

"One off promotion to your list, maybe 1 or 2 a month, maybe look
for PLR products and keep 100% of the profits"

"You get 20 one off sales with \$200 commissions (maybe a set of
dvd trainings) thats \$4000 a month"

"High Ticket Products"

"One of the quickest ways to make money"

"You only need 4 sales of a high ticket product a month thats \$4000
\$12000 a month = \$144000 a year"

Joella Says ...

“Have your customers wanting more! The more value you give them the more they will want from you.

When you offer someone something for free, they will more than likely take it.

So make sure what your offering is of pure value, make sure you over deliver on the free stuff, get them wanting more value from you, be consistent.

Then when you have a product or service to offer they are going to want to take a glance as you have already been providing them with value in the past,

Be passionate about the product.”

Creating a product may sound daunting, and for many it is, but if you have a passion or a skill in a particular niche then creating a simple product at first can be easy. It may be an eBook, or video series, solving a problem that people are desperate to lay their hands on.

The SFM can teach you how to provide your followers with a product or service you can easily deliver based on your own passion and knowledge.

But if this sounds like too much, something you are not ready for, or may not even want to do for then the Six Figure Mentors already provide you with products you can offer as an affiliate to start you earning bigger commission right away.

How To LEVERAGE The Credibility Of The Biggest Gurus Online To Skyrocket Your Income.

Joella Says ...

In order for people to trust your word, and see that what you're saying in your blogs and on your website is true, then you need to have facts and figures to back it up. This is where the Six Figure Mentors can give you that, with the proven systems and products available to you. The training is of the highest quality, and you will personally align yourself with one of the UK's top marketers Stuart Ross and his techniques.
